Expectations

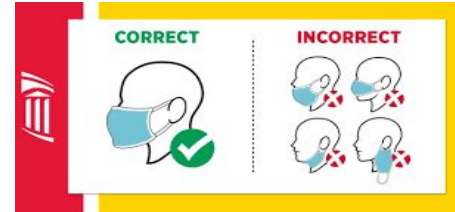

- Students should be active learners and engage in their learning.
- If students are 100% virtual they are to log on to the live stream of their classes each day.
- The afternoon virtual sessions are still part of the school day. All students are to be logging on and attentive.
- Attendance is an essential component of a student's academic success.
- Remind your student to check their district email often throughout the day. This is a major way of communication from teacher to student.
- We want our students to be the best Valleyview Viking they can be!

Attendance

- If your student needs to quarantine, please contact the school immediately so we can have them marked as virtual for this period of time. If you would like your student to be marked absent it will be counted as excused.
- If your student, either virtual or in-person is sick they may not go into the virtual classroom.
- If your student is going to be absent either as an in-person or virtual student, a phone call must be made to the school nurse (x2404) before 7:30 the day of the absence to inform the school. An answering machine is available 24 hours for your convenience.

#VVPRIDE

WE HONESTLY DON'T
KNOW WHAT SCHOOL
WILL BE LIKE IN THE
FALL...

...but what we do know is:
We will make sure your children are:

*Safe
Loved
&
Educated*
because we are
teachers and
its what we do.
