

## Denville Education Foundation Grant Application 21-22

Classroom grant proposals will be reviewed throughout the school year, and may be filled at any time at the discretion of the Foundation's board. After completing and submitting your application, you will receive an email for your records. The form will be forwarded to administration for completion and approval, and then to the Foundation of Denville for consideration of the request.

Email address:

Name:

School:

Phone number:

List any additional applicants for the same grant.

Project Title:

Total Amount of Grant Request:

Project Objective:

Project Summary:

How many students is this project intended to benefit? Is there a potential for others to benefit from this grant, perhaps at another time or for another purpose?

How does the project relate to the mission of The Denville Education Foundation, to the Board of Education goals, and/or your school (building) priorities?

List specific project expenses(ex. specific supplies, book titles, equipment, software applications, etc.). Be sure to include all costs associated with this proposal including shipping and handling or any other charges that could be incurred.

List any other source of funding that supports this project.
